

RACQ – HISTORIC MOTORING COUNCIL RALLY
Queen’s Birthday Weekend – 12th – 14th June 2010

EXPRESSION OF INTEREST FORM

Bundaberg Vintage Vehicle Club extends an invitation to you to join us for the RACQ – Historic Motoring Council Rally in 2010. Our chosen theme is “It’s Magic” and we have planned a “magical” program of events commencing at our centrally located rally headquarters PCYC with Saturday morning registration, socializing over morning tea, culminating in a sausage sizzle prior to an afternoon tour to a local landmark. Entrants will then have the opportunity to return to their accommodation for a rest before a buffet dinner and entertainment at PCYC.

Sunday morning offers a leisurely scenic drive through coastal and hinterland recreation areas after morning tea, followed by lunch then a run back to Bundaberg to recover before once again joining us at PCYC for our presentation dinner. Monday morning we will travel to an unusual local cottage industry destination for a tour and morning tea.
